

THE DATAI
LANGKAWI

DINING

Enjoy a diverse selection of cuisine inspired by regional Far East flavours. Dishes are centred around locally sourced ingredients that epitomise the rich and colourful heritage of Malaysia with a distinctive pan-Asian flair.

The Gulai House

Tucked deep in the rainforest, this award-winning restaurant is reminiscent of a traditional Malay *kampung* (village) house where diners are welcome to *bersila* (sit on the floor) or at the rustic dining table to enjoy an authentic Malaysian feast.

The Pavilion

Situated atop 30-metre wooden stilts with views of the rainforest, The Pavilion celebrates Thai cuisine with freshly harvested exotic herbs. The sight of the elusive flying colugo, a gliding mammal, will enhance your dining experience.

The Dining Room

A lavish spread for breakfast awaits diners with a juice bar, pastries and breakfast specials. Lunch is served a la carte. The restaurant transitions into a romantic fine dining venue in the evening, styled in the colonial era. Wine aficionados will delight in the exclusive wine collection from its walk-in wine cellar.

The Beach Club and The Beach Bar

A casual venue to enjoy convivial gatherings. Spend the day sipping signature cocktails and savouring fresh seafood while sunset lights up the horizon. At dinner, The Beach Club is transformed into an elevated seafood grill restaurant where guests can dine out on the decks, listening to the soothing sound of the waves.

The Lobby Lounge

Overlooking the Andaman Sea and the rainforest, the lounge is the ideal place to take in the panoramic views. Guests can enjoy light snacks throughout the day, a premium selection of teas during afternoon high tea, and a selection of cocktails, refined spirits and champagne in the evenings accompanied by a live jazz duo.
